RESOLUTION A.950(23) – MARITIME ASSISTANCE SERVICES (MAS)

Information on Maritime Assistance Services (MAS)

1 On 5 December 2003, the Assembly adopted resolution A.950(23) on Maritime Assistance Services (MAS), whereby, inter alia, it invited Governments of coastal States that have established an MAS for the purposes as described in the resolution, to forward to the Organization the details (i.e. call numbers, call signs, etc.) of their MAS, to enable the Organization to circulate such particulars, so that shipmasters and other persons or organizations concerned can make contact as necessary.

2 During the period April 2015 to October 2015, notification of the establishment of Maritime Assistance Services (MAS) and information on amendments to the existing listing had been received from the Governments of Azerbaijan, Finland, New Zealand, Spain, and Sweden.

3 Member States are invited to note the annexed information and bring it to the attention of all concerned, including shipowners and operators, shipping companies, shipmasters, etc. In addition, Member States are invited to provide information on MAS as requested in resolution A.950(23).

4 This circular supersedes MSC.5/Circ.13/Rev.2.
