2. Seamen's Books (S/B)

Processing of expired or completely filled in S/B will be similar to Certificates as described above. The old one S/B is seafarer's property, so it is not subject to any further processing.

3. Medical Certificates

In view of the exceptional circumstances of force majeure, CZ Maritime Administration agree the seafarer whose medical certificate is about to expire or no longer be valid, to be allowed to keep serving on board for a period of up to 3 months.

4. Documents to support out-crossing Czech border to join the ship

Given the restrictions on cross-border movement, the Maritime Administration draws attention to the forms of the Ministry of Transport and Ministry of the Interior for commuting abroad for workers in international transport, including crews of sea-going vessels. The forms are available in Czech and English versions. The seafarer must fill in his/her personal data, and have the form endorsed by foreign employer (the signature and stamp) and have it with him/her when out-crossing the Czech border travelling to join ship.

These measures are applicable from March 31, 2020 and will remain in force until they are either recalled either amended. This Maritime Administration remains of course at the disposal of all interested parties for any further information.
