

[illegible]

Technical drawing of a road layout for bridge repair on road D35. The drawing shows a multi-lane road with various traffic signs, including speed limits (60, 80, 100), directional signs (P18b, P22, P20a), and warning signs (A15, A9, A15). It also includes elevation points (B20a, B21a, B26) and specific locations for construction equipment (IS 7a, IS 7b, IS 8a, IS 8b, IS 8c). The drawing is oriented with OLOMOUC to the right. A title block on the right contains the following information:
